**1. Land Acknowledgement:**

Burlington as we know it today is rich in history and modern traditions of many First Nations and the Métis. From the Anishinaabeg to the Haudenosaunee, and the Métis – our lands spanning from Lake Ontario to the Niagara Escarpment are steeped in Indigenous history. The territory is mutually covered by the Dish with One Spoon Wampum Belt Covenant, an agreement between the Iroquois Confederacy, the Ojibway and other allied Nations to peaceably share and care for the resources around the Great Lakes. We would like to acknowledge that the land on which we gather is part of the Treaty Lands and Territory of the Mississaugas of the Credit.

**8. Regular Items:**

8.1 Staff update

Dan provided the following updates:

- Bike Month - official kick off was May 30th for the month of June.
- bike rack giveaway contest - 25 bike racks will be given away and interested organizations just need to email Dan to enter.
- cycling giveaways have been provided to the six public libraries and Tourism Burlington for distribution to residents during Bike Month.
- school boards will be provided with giveaways for students in support of Bike to School Week.
- free webinars have been scheduled throughout the month of June.
- bike repair stations are now repaired.
- top two locations suggested by the Cycling Committee will get a bike repair station. Five more stations have been ordered.
- a bike repair station has been added to the Elgin Promenade, which is an extension of the Centennial Multi-Use Path from Martha to Brant Street. The interactive map will be updated to include this additional location.
- Plains Road protected cycling facilities - on schedule to be constructed by the end of the year.
- Prospect Street - protected cycling facilities will be constructed on the full length from the west end of Graham's Lane to Cumberland Avenue.

**Questions/Comments:**

- Katherine said she is still working with her daughter to get photos for the consultant's report.
- Katherine is trying to organize a CHCH interview for Bike Month.
- Who do residents contact regarding debris in bike lanes? Dan said to contact him.
- Is there an inventory of where bike racks are located downtown? Dan said no, but that may be something staff could work on. Let Dan know if there are areas where bike racks are needed.
- If the city receives federal funding for the Prospect Street project, could the city use the money saved from that project towards a bridge? Dan said the money could be used for another city project. Staff are trying to work towards a bridge for future.
