

Artfully yours...

Arts Burlington brings back their annual Christmas Sale as an online **Virtual Gallery** showcasing artisan gifts, photography, and fine art from the six guilds that call the Art Gallery of Burlington (AGB) home.

[Arts Burlington's VIRTUAL Online Christmas Sale](#) will go live in mid-October, run concurrently with the ever-popular [AGB 2020 Soup Bowl event](#), and continue to be available as a unique shopping experience through the end of November. It's a wonderful opportunity to support local artists and be inspired during a season unique in memory as the world continues to adjust to life in the "new normal".

Over 90 guild members have registered for their virtual shop with Arts Burlington. The public is invited to peruse an exclusive collection of photography, fine art, pottery, weaving, carving, and other unique handmade items to consider as gifts for colleagues, friends and family. As items are sold, new selections will be added, ensuring unsurpassed variety and selection for all show visitors. Still, since items are one-of-a-kind, shoppers will benefit from visiting the show early and often!

The **Arts Burlington Online Christmas Sale** offers:

- direct contact with the local Artist for purchases
- the convenience and safety of armchair browsing at any time of day or night
- respite from crowded stores and parking lots
- personalized arrangements for payment, porch pickup/or delivery of items via each artist
- the convenience of shopping locally and, most importantly,
- supporting the Arts and Artists within our community
