Walkers Line and Britannia Road Culvert Replacements Public Information Centre (PIC) Invitation Burlington.ca/WalkersLineCulvert

The City of Burlington will be replacing two existing stormwater culverts on Walkers Line (south of Britannia Road) and Britannia Road (west of Walkers Line). Staged road closures will be required during construction activities. Signed detour routes will be installed ahead of construction and provide an alternative route around the construction area. Localized roadway improvements will be made at each culvert location including asphalt roadway repaving and steel beam guiderail installation.
