CLEREL

Date and Time: Thursday, January 23 7:30 pm - 9:30 pm

Address: 440 Locust Street Burlington, ON L7S 1T7

A natural-born vocalist, soul singer & songwriter Clerel nurtured his taste for melody in his coastal hometown of Douala, Cameroon, where he grew up listening to music from his parents' record collection, which ranged from church hymns and afrobeat to French chanson.

As a child, he developed a habit of singing his favorite songs to himself as a way to "listen" to them whenever he desired, an exercise that helped hone his signature smooth tone.

While he's spent most of 2020 working on a new collection of songs, Clerel has also appeared on reality TV show *La Voix* (The Voice Canada), and earlier this summer he took part in the Montreal International Jazz Festival, where he gave a highly acclaimed performance of his original music in front of an audience of over 3000 spectators. Listeners around the world continue to fall in love with the young musician's soulful universe.

"He's the discovery of the year in Montreal, [...] If this guy doesn't explode and become a superstar, I don't know what's happening." – Laurent Saulnier, President, Montreal Jazz Fest, in Montreal Gazette

One Fine Morning – Sunny Days – Pretty Lady – Hats Off To The Stranger – 1849 – Take It Slow – You Girl

Chances are, as you're reading the titles of these classic Lighthouse hits, you're singing them in your head and smiling. Each one is still heard daily on radio, television, and home sound systems after almost fifty years of continuous play. For a generation of Canadians, Lighthouse was the soundtrack of their lives.

Recognized as one of the best performing acts of their time, Lighthouse toured 300 days a year including sold-out performances at Carnegie Hall, the Fillmore East, Fillmore West, Expo '70 in Japan and the Isle of Wight Festival in England. Lighthouse caused such a stir at the Isle of Wight, that they were the only act asked to perform twice among acts that included The Doors, Miles Davis, Joni Mitchell, The Who and Chicago.

After regrouping several times, Lighthouse permanently reunited in 1992. The band continues to record and tour, performing with the same free-wheeling, hard-driving sound that has kept them on the airwaves and in the hearts of fans for more than 50 years. Recent honours include inductions into the Canadian Songwriter's Hall of Fame and Canada's Walk of Fame. Sponsored by Stoner & Company Family Law
