2020 Budget Survey - Tell us which City services matter most to you

Date and Time: Wednesday, July 24 11:00 am - 11:55 pm

Address: City Hall 426 Brant St Burlington, Ontario, L7R 3Z6

Work to determine the City of Burlingtons 2020 budget is underway. Through the budget process, choices are made to ensure the City services provided to residents align with the priorities in Burlingtons 2018-2022 strategic work plan, From Vision to Focus. In planning the 2020 budget, the City also wants to hear from residents to learn more about how municipal services are valued and which ones are a priority for residents. To share input on which services matter, residents can complete an online survey at www.getinvolvedburlington.ca. All the feedback captured through the survey will be shared with Burlington City Council. The survey will remain open until Sept. 20, 2019.
